Each party consists of 1 hour of zipping and climbing followed by a 30-minute refreshment / gift period (provided by the party-giver). Children are allowed on the Rock Wall only during the 1st hour of the party. They become the responsibility of the party-giver during refreshments and are asked to stay in the party room.

Parties are scheduled for any evening during the week and all day Saturday and Sunday.

Call or stop by to reserve a party spot. Reserve early (Parties are generally booked 1-2 months in advance)!
A \$100 non-refundable deposit is required at time of booking to confirm your spot, with the balance due the day of the party.

The basic fee is \$295 for up to 15 climbers (ages 6 & up). A \$20 discount is applied if your child is currently enrolled in a Diamond Gymnastics class. Additional instructors can be hired to accommodate larger groups. Each extra instructor is \$50 and will allow you to bring 5 additional guests. **Maximum # of climbers is 40.** See Back for additional Party Things to Know.

Diamond Rock Climbing Parties

Things to Know:

- ◆ Parties start on the hour and last 1½ hours. The 1st hour of the party is on the Rock Wall and the last 1/2 hour is spent on the Party Deck. The Party Deck is available to you for the entire 1½ hours.
- ◆ The Party Deck is set up with tables, chairs and vinyl table cloths prior to your arrival. We do not provide cups, plates, napkins or refreshments. You are welcome to bring your own party table cloths to place over ours if you choose. We require that you remove all items (cups, plates, etc.) from the tables after your party has ended, and place them in the garbage cans in your room.
- ◆ Requests for a particular instructor are accepted but cannot be guaranteed.
- ◆ Suggested arrival time is 15 minutes prior to your party. Our staff does need time to clean and prepare the Party Deck for you.
- ◆ The party begins when one of the instructors escorts the children from the Party Deck to the Rock Wall. At the Rock Wall, party participants are put into climbing harnesses and split into groups of 5 or less. Each group then rotates to different climbing areas of the wall with their instructor, getting the full "D-Rock" Climbing experience.
- ◆ After 50-55 minutes of climbing all party-goers are escorted to the Party Deck except the special party guest (birthday child). The birthday child is belayed into the "D-Rock" cave and hooked-up for the daring grand finale "D-Zip". The "zipper" flies across the gym 25' in the air and ends his / her ride on the Party Deck where the birthday group is cheering.
- ◆ **Once your party assembles on the Party Deck, children are not permitted back on the Rock Wall for safety reasons and to be courteous to the next party.**
- ◆ If you wish to have extra time on the Rock Wall or the Party Deck, you can purchase 2 time slots to receive an extra hour. (An additional hour and a half is not possible due to subsequent party overlap).
- ◆ The maximum number of children per party is 40 and **please no popcorn, pinatas or confetti.**
- ◆ Deposit refunds are only offered due to Inclement weather. If weather does cancel your party, we will make every effort to reschedule it, but cannot guarantee that it will be possible.
- ◆ Diamond will make every effort to make your child's party a memorable one and we do appreciate your cooperation with our party guidelines. Please call with any additional questions or concerns.
- ◆ Instructors do receive a modest salary for working your party; however gratuities are in order if deserved.
